

Medical Journals

Annual Report 2020

About Medical Journals

- ❑ Medical Journals has been formed under the aegis of Consortium eLearning Network Pvt. Ltd with a mission & vision to harness the potential of Medical Research.
- ❑ Medical Journals are designed with an objective to create, evolve and discover medical knowledge in all possible forms and to reach every individual of Medical fraternity throughout the World to join us. Basically, we aim to form a team that provides integrated and customer-centric products to improve medical knowledge of society, from researchers to school going kids.
- ❑ We seek to associate and collaborate with all knowledge seekers and stake holders to unite at one platform and mutually share/ exchange your ideas, views, experiences, news, updates and developments.

Editor-in-Chief of the
Research & Reviews : Journal of Surgery
eISSN : 2349-3712

Rekha Rani

CCNE Project Manager

Amul Mehta

Director

Editor-in-Chief Certification

New Developments

DOI Services

- ❑ You may **avail DOI number** for your already published work with Nursing Journals or for the manuscript which is under process for the upcoming issue.
- ❑ **Significance of DOI**, it enhances finding the article rapidly and fills in as the paper's unique area. If you search the Google scholar for a particular title of an article, one may discover a few articles that share similar phrases of the title. On the other hand, the DOI of each archive is unique regardless of whether the titles of several documents are extremely close to each other.

New Developments

Webinars Conducted

- ❑ **Webinar held on Toxicology: Science of Wellness**
- ❑ **Webinar Covers: Toxicology and its impact**
- ❑ **Basics of Toxicology with Special Emphasis on Biomarkers in Organ Toxicity Assessment**
- ❑ **Lead Toxicity**
